

# We The People

## How Does It Work!?

→ Each Unit Team (4-6 people) is responsible for 1 unit

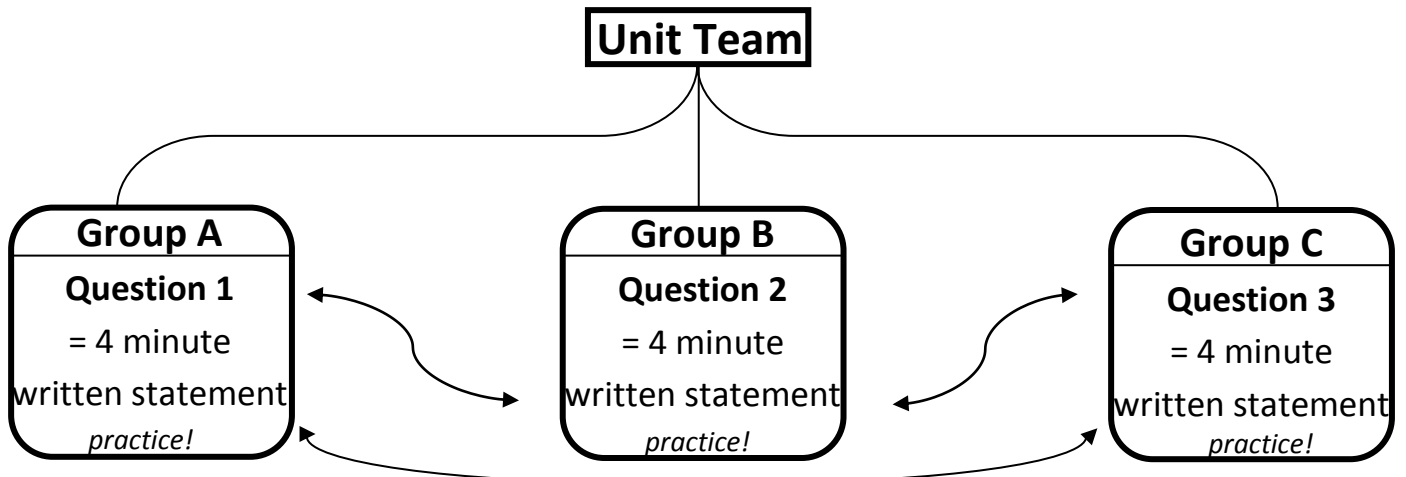

→ Each Unit has 3 Essential questions

- We will break up which people in the team answer each question (3 Groups)  
= this will be your Group (1-2 people)

→ Each group (Group A, B or C) writes a response to their question

→ Each team **MUST** be an *expert* on their unit, and each group **MUST** be an expert on their question

# So Then What!?

**\* Each group will share their work with their team**

**Why?** → Because then comes the completion and judging AND  
*you don't know what question they will ask!*

1. **Then, the Unit Team will go in front of the judges with ALL of the statements they have written AND HAVE PRACTICED, PRACTICED, PRACTICED!**
2. The judges will ask one of the **3 unit questions** (which one, we don't know!)
3. **ALL MEMBERS** will then read the question statement (this will be easy- we'll practice!)  
Ex) If they ask question 1, you read that statement)
  - EVERY TEAM MEMBER MUST READ!!!
  - This session lasts **4 minutes**
4. Then the judges ask follow up questions for **6 minutes**
  - But no worries, we will **PRACTICE PRACTICE PRACTICE** possible follow up questions

**We The People is ALL about teamwork, critical thinking, knowledge, public speaking AND CIVIC ENGAGEMENT... you are the future after all!**
