

A vintage black and white photograph showing a group of five people in 1920s fashion. A woman on the left wears a dark dress with a fur skirt and a necklace. Next to her is a man in a white shirt and tie. In the center, a man in a dark suit and bow tie stands with his hands in his pockets. To his right, another man in a light suit and bow tie leans against a classic car. On the far right, a man in a dark suit and cap stands by the car. A fifth man in a hat is visible in the background behind the car. The car is a large, early 20th-century model with spoked wheels and a spare tire on the side. The background consists of dense foliage.

On your slides include: **definition of term, one picture for each term used on that slide and explanation of cause and effects-** if one event has multiple causes that are not necessarily linked to each other, that’s fine, you can have one slide with the cause, and other with the effects, I promise one of the effects will provide “another link in the chain”

EXAMPLE (DO NOT COPY!) SLAVERY

CAUSE

Slavery was a time in American history when the ownership, abuse, and use of African people as tools of labor was allowed. Tensions rose as the Northern states condemned it, while the Southern states continued to embrace the use of slaves.

EFFECT

Slavery caused the American Civil war, a vicious war between North and South. The Civil war left the nation hurting and the government broken.
